

BRIEFING NOTE

TO: Council

FROM: Executive Committee

DATE: October 7, 2019

SUBJECT: 5.0 Committee Composition Amendments

☒ For Decision

☐ For Information

☐ Monitoring Report

Purpose:

To consider changes recommended by the Executive Committee to the current committee slates in light of two new public appointments and recent developments to the professional misconduct regulation.

Background:

On June 20, 2019, Stephen Kinsella was appointed to the College by the Public Appointments Secretariat for a three-year term. On September 16, 2019, Jack Zwicker, was appointed for a one-year term.

David Milne's appointment has expired effective September 28, 2019. We await information about Gord White's appointment, which has an upcoming expiry dates of October 18, 2019.

Given the new appointments, Executive Committee is making several recommended changes to the committee slates. The Executive is also making a recommendation to add three members to the Professional Misconduct Regulation Ad-Hoc Committee as we have recently engaged with the ministry on the status of the proposed regulation and anticipate that this is near completion.

For Consideration:

The Executive Committee recommends amendments to committee slate appointments as follows:

- To appoint S. Kinsella to the Patient Relations, Governance and Quality Assurance Committees
- To appoint J. Zwicker to the ICR, Patient Relations, and Quality Assurance, Registration Appeals Committees
- To remove G. White from the Patient Relations Committee. Gord was originally appointed as an interim member to temporarily fill a gap.
- To appoint O. Farouk, K. Cloutier and M. Osborne to the Misconduct Regulation Committee

A red-lined committee composition chart is attached.

Recommendation:

That Council approve the proposed changes to the committee slates as recommended by the Executive Committee.
