

COVID-19 Update #12: Return to Practice Guidelines

May 11, 2020 – 5:00 pm

Dear Registrant,

In anticipation of the government's relaxing of social distancing measures in the foreseeable future, the College is developing Return to Practice Guidelines to assist you prepare for the return to practice.

While the government is relaxing workplace restrictions such as allowing curbside service for street front businesses, opticians as health care providers are still bound by the ministry [directive](#) allowing only essential services until otherwise directed.

Return to Practice Guidelines Webinar

We expect the guidelines to be ready for distribution this coming **Friday May 15, 2020 at 10 am** and we invite you to a Zoom webinar to learn more about the Guidelines and pose any questions you may have.

Please follow the invitation link [here](#) to register for the webinar.

We look forward to having you attend our session. If you are unable to attend, we will post a link to the webinar on our website for you to watch at your convenience.

Proposed Amendment to Reduce 2021 Registration Fee

At today's Board meeting, the College proposed amending the Fees Bylaw to reduce the 2021 registration fee by \$200. The proposed bylaw change will be distributed shortly for your feedback. The College will then finalize the matter at its next Board meeting in July.

Kind regards,

Fazal and the COO Team
