

COVID-19 Update #18

June 29, 2020 – 2:45 pm

Dear Registrant,

In follow up to our email on Friday, the College has updated the [Return to Practice Guidelines](#), specifically with regards to new contact lens fits. The College continues to recommend using professional judgement when deciding if it is in the patient's interest to proceed with a new contact lens fitting, to use the appropriate PPE and to minimize close contact where ever possible.

Please feel free to reach out to practiceadvice@collegeofopticians.ca for any questions or clarifications.

Kind regards,

Fazal and the COO team
