

### Proposed By-Law Amendment – Feedback Requested

The College is committed to meaningful engagement with its stakeholders. As part of that commitment, the College had circulated a proposed amendment to the Fees Bylaw on May 28, 2021 seeking your input. While the feedback survey remains open, initial feedback has been reviewed and the College would like to seek your input on an alternate proposal.

Recognizing that the pandemic continues to affect registrants, this alternate option seeks to phase in the return to regular fees over a two-year period, as was suggested in some of the comments received. The intent of this option is to ease the financial burden on registrants while ensuring reserve funds are replenished in a timely manner and the College is prepared to meet any future challenges.

Please review the alternate proposal and provide your feedback. Results from both surveys will be presented to the Board for its consideration in August as it finalizes amendments to the Fees Bylaw.

Please complete this [short survey](#) to share your feedback. The survey will be open until **August 16, 2021**.
