Dear Mr. Khan,

**RE: Vote Tabulation for the 2021 Elections**

Attached are the results of the 2021 election for district 2 for the College of Opticians of Ontario.

The ballots were collected electronically, tabulated myself and verified by another staff member. We certify that both counts produced identical results. The results will be maintained by Visual Antidote until destruction is authorized by the College of Opticians of Ontario.

We also certify that the staff involved with the tabulation of the election results are independent of the College of Opticians of Ontario.

Yours truly,
