Dear Registrant,

On February 8, 2021 the Ontario Government [announced](#) that COVID-19 restrictions will gradually be relaxed over the coming days and weeks.

Effective February 10, 2021, the following regions will be moving back to the [COVID-19 Response Framework](#) system at the Green-Prevent level:

- Hastings Prince Edward Public Health
- Kingston, Frontenac and Lennox & Addington Public Health
- Renfrew County and District Unit Health

Optical stores in the Green-Prevent zone will no longer be subject to the stay-at-home order and will no longer be required to restrict operating hours or offer services on an appointment-only basis.

Optical stores in all other parts of the province must continue to operate on an appointment-only basis and with restricted hours (7am to 8pm) until further notice. We are continuing to monitor the situation and will provide updates as further information becomes available.

Kind regards,
