Such resolution in writing may be signed by counterpart and satisfies all the requirements of the by-laws relating to Board meetings.

COLLEGE OF OPTICIANS OF ONTARIO

SCHEDULE C TO THE BY-LAW: RULES OF ORDER OF THE BOARD OF DIRECTORS AND ITS COMMITTEES

General Procedure

1. The Board will ordinarily meet informally and allow discussion of a topic without a motion needing to be made first.
2. The Board may decide matters by consensus and may indicate preferences by a straw vote or other informal method but, motions will usually be made if,
 - a. a decision will commit the College to an action or a public position, or
 - b. the meeting chair or the Board is of the opinion that the nature of the matter or of the discussion warrants a motion.
3. A motion may be made after a discussion on the topic. If a motion is made, the rules pertaining to motions shall apply.

Motions

4. Motions require a mover and a seconder, and shall be voted upon by all Directors present.
5. When the motion contains distinct propositions, any Director may require the vote upon each proposition to be taken separately.
6. No Director shall vote upon any motion in which they have a direct monetary or other conflict of interest, and the meeting chair shall disallow the vote of any Director on any motion in which the chair believes the Director has a direct monetary or other conflict of interest.

Amendments and other subordinate motions

7. A motion that has been moved and seconded may be amended by a motion to amend. The meeting chair shall rule a motion to amend out of order if it is irrelevant to the main motion or defeats the basic effect of the main motion.
8. When a motion has been moved and seconded, no other motion may be made except a motion to amend the motion, to refer the motion to a Committee, to postpone the motion, either indefinitely or to a specific meeting, to call the question, to adjourn the debate or to adjourn the meeting.
9. When a motion to refer a motion to a Committee has been made, it shall be decided before any amendment is decided and, if it is passed, no further debate or discussion is permitted.

10. A motion to amend the main motion shall be disposed of before the main motion is decided and, where there is more than one motion to amend, they shall be decided in the reverse order to which they were made.

Preserving Order

11. The meeting chair shall manage the speaking order. Where the Board has appointed a meeting facilitator in accordance with these Rules of Order, the meeting chair may delegate management of the speaking order to the facilitator.
12. The meeting chair shall preserve order and decorum, and shall rule on any question of order or procedure. However, a Director who believes the meeting chair's ruling is wrong may appeal the ruling to the Board.
13. During a meeting, electronic devices shall only be used to conduct Board business. For example, personal cell phones shall be turned off, no texting shall occur and e-mails and internet searches shall be confined to those necessary for the business of the meeting.
14. Unless an electronic meeting is open to the public, Directors shall protect the confidentiality of the meeting including not disclosing access details to others, not using a speakerphone if others are able to hear and participating in any confidentiality declarations requested by the meeting chair.
15. Whenever the meeting chair is of the opinion that a motion offered to the Board is contrary to these rules or the by-laws, they shall immediately inform the Board of their opinion, rule the motion out of order and explain why.
16. If a Director believes that another Director has behaved improperly or that the Board has broken the by-laws or these rules, the Director may state a point of order. The meeting chair shall promptly rule on the point of order, which is subject to an appeal to the Board. (There is no "point of personal privilege" or "point of privilege" in a body such as the Board).
17. The meeting chair may limit the number of times a Director may speak, limit the length of speeches and impose other restrictions reasonably necessary to finish the agenda of a meeting.
18. The meeting chair, with the approval of the Board, may direct the removal of any person, including a Director, from the meeting if the person is disrupting the meeting or is otherwise acting so improperly as to make removal necessary for conducting an orderly meeting.
19. The Board may appoint a parliamentarian or other independent person who is not a Director to chair the Board meeting. The Board may also appoint a meeting facilitator to help the meeting chair manage the meeting.

Matters Not Covered by These Rules

20. When a circumstance arises in a formal session that is not provided for by these rules or by other rules of the Board, the meeting chair shall make a ruling, which is subject to an appeal to the Board without debate. The meeting chair and the Board shall be guided by the principles set out in *Roberts Rules of Order*.
21. These Rules of Order apply with necessary modification to meetings conducted by teleconference or any other electronic means permitted by these by-laws, including audio or video conferencing, as well as to meetings of Committees.
22. These Rules of Order may be relaxed by the meeting chair if it appears that greater informality is beneficial in the particular circumstances, unless the Board requires strict adherence.

Nothing in this Schedule prevents the informal resolution of Code of Conduct concerns including by

**APPENDIX I
to Schedule D of the By-Law**

Conflict of Interest

1. The purpose of this appendix is to provide guidance on how Directors and Committee Members are to comply with the obligations set out in the Code of Conduct to avoid and declare conflicts of interest. These provisions in no way limit the full extent of the duties set out in the Code of Conduct.
2. All Directors and Committee Members have a duty to carry out their responsibilities in a manner that serves and protects the interest of the public and fulfils the mandate of the College. As such, they must not engage in any activities or in decision-making concerning any matters where they have a direct or indirect personal, professional or financial interest. All Directors and Committee Members have a duty to uphold and further the intent of the Opticianry Act to regulate the practice and profession of opticianry in Ontario, and not to represent the views of advocacy or special interest groups.
3. Directors and Committee Members recognize that a conflict of interest or an appearance of a conflict of interest by a Director or a Committee Member:
 - a. could bring discredit to the College;
 - b. could amount to a breach of the fiduciary obligation of the person to the College; or
 - c. could create liability for either the College and/or the person involved.
4. The terms “conflict of interest” and “appearance of bias” are often used interchangeably. The term “conflict of interest” generally applies to policy or administrative decisions while the term “appearance of bias” generally applies to an adjudicative type of decision. For the purposes of the Code of Conduct, including this appendix, they mean the same thing.
5. A conflict of interest exists where a reasonable member of the public would conclude that a Director or Committee Member’s personal, professional or financial interest, relationship or affiliation may affect their judgment or the discharge of their duties to the College. A conflict of interest may be real or perceived, actual or potential, or direct or indirect.
6. For the purpose of this Schedule, the Director or Committee Member’s personal, professional or financial interests include the interests of a close friend, relative (parent, spouse or other romantic partner, child or sibling), or affiliated entity of a Director or Committee Member.
7. Directors and Committee Members must disclose all involvements with other organizations, vendors or associations that might give rise to, or might reasonably be seen as giving rise to, a conflict.

8. Without limiting the usual and ordinary meaning of “conflict of interest” or “appearance of bias”, some examples of activities or circumstances that would usually constitute a conflict of interest or an appearance of bias for a Director or a Committee Member include the following:
- a. Advising or assisting anyone in their dealings with the College, other than directing them to the appropriate member of staff at the College.
 - b. Participating in the decision-making process where the decision could confer a non-trivial personal, professional or financial benefit to themselves.
 - c. Using their position as a Director or Committee Member to secure special privileges or exemptions for themselves or others.
 - d. Using their position as a Director or Committee Member to advance their personal, professional or financial interests.
 - e. Using any information learned in the course of their duties as a Director or Committee Member to advance their own personal, professional or financial interests.
 - f. Acting in a manner that demonstrates, or appears to demonstrate, a closed mind on an issue that is before the Board or Committee.
 - g. Giving or receiving, or agreeing to receive, directly or indirectly, any compensation, gifts, reward or gratuity from a source except the College, or in the case of Public Directors, the Office of the Public Appointments Secretariat of the Ontario Government, for a matter connected with or related to the Director or Committee Member’s service to the College, including speaking engagements given in their capacity as a Director or Committee Member. However, if the payment or gift cannot in the circumstances be gracefully declined, it is not a conflict of interest if the Directors or Committee Members immediately turns it over to the Registrar. Moreover, it is not a conflict to accept and retain a memento of nominal value (\$50.00 or less) or of no commercial value (e.g. commemorative plaque).
 - h. Accepting, directly or indirectly, any compensation, gratuity, or reward from any other person that is or becomes beneficially interested in a contract or financial arrangement with the College.
 - i. Holding a responsible position such as director, owner, board member or officer or is an employee of any organization of or for opticians that has as its primary mandate the promotion of the opticianry profession.
 - j. Holding a responsible position such as director, owner, board member or officer or is an employee of another organization where their duties may be seen by a reasonable person as influencing their judgment in the matter under consideration of the Board or Committees. For example, an educator in a school should not participate in any decisions relating to the status of that school, its program(s) or the acceptability for registration of graduates from that school.

- k. Initiating, joining, continuing or materially contributing to a legal proceeding against the College or any Committee or representative of the College
 - l. Being the subject of an inquiry or investigation by the College, the police or another authority that impairs the ability of the Director or Committee Member to participate in a decision or to continue to serve in their position or has the potential to jeopardize public trust in the Board, the Committee or the College.
 - m. Publishing, including posting on social media or other online forum, a statement that could impair the public's confidence in the College or compromise the public image of the College or the ability of the Director or Committee Member to make transparent, objective, impartial and fair decisions that are in the public interest.
9. Where a Director or Committee Member believes that they have a conflict of interest in a particular matter, they shall:
- a. Prior to any consideration of the matter, declare to the Board or the Committee that they have a conflict of interest that prevents them from participating;
 - b. Not take part in the discussion of or vote on any question in respect of the matter;
 - c. Leave the room for the portion of the meeting relating to the matter even where the meeting is open to the public; and
 - d. Not attempt in any way to influence the voting or do anything which might reasonably be perceived as an attempt to influence other Directors or Committee Members or the decision relating to the matter.
10. Where a Director or Committee Member is in doubt as to whether they have a conflict of interest, they shall consult with an appropriate person, such as the chair of the affected Committee, the Chair, the Registrar, a designated member of staff, or independent legal counsel in a hearing.
11. Where a Director or Committee Member believes that another Director or Committee Member has a conflict of interest that has not been declared despite any appropriate informal communications, the first Director or Committee Member shall advise an appropriate person, such as the chair of the affected Committee, the Chair, the Registrar, a designated member of staff, or independent legal counsel in a hearing. The person who is suggested as having a conflict of interest is entitled to address the matter before any decision is made by the Board or relevant Committee, as appropriate.
12. Where the Director or a Committee concludes that one of its members has a conflict of interest that has not been declared, it can direct that the Director or Committee Member not participate in the discussion or decision, leave the room for that portion of the meeting, and not try to otherwise exert influence in the matter.
13. Every declaration or finding of a conflict of interest shall be recorded in the minutes of the meeting.

**APPENDIX II
to Schedule D of the By-Law**

Confidentiality

1. The purpose of this appendix is to provide guidance on how Directors and Committee Members are to comply with the confidentiality obligations set out in the Code of Conduct. These provisions in no way limit the full extent of the duties set out in the Code of Conduct.
2. Directors and Committee Members shall:
 - a. Regularly review and maintain familiarity with their legislative obligations relating to confidentiality, including section 36 of the RHPA and sections 83 and 83.1 of the Health Professions Procedural Code.
 - b. Treat all information learned in the course of their duties as confidential, and shall not disclose it to any other person unless an exception set out in the legislation applies. Where a legal exception may apply, it should generally be left to College staff to disclose the information, however this does not preclude a Director or Committee Member from disclosing information as required for the performance of their duties, such as in rendering a decision and reasons on behalf of a Committee or a panel of a Committee.
 - c. Treat all communications within a Committee or panel of a Committee as confidential from any other person, including Directors or Committee Members that are not part of the Committee or panel in question.
 - d. Treat internal communications within the College as confidential and shall only obtain or disclose information on a need-to-know basis.
 - e. Take reasonable measures to safeguard College information, including:

 - iv. avoiding discussing or displaying information in a public space where it can easily be heard and/or viewed by others.
 - f. Immediately advise the Registrar if they believe there has been a breach of confidentiality by a Director or Committee Member, whether intentional or unintentional.

**APPENDIX III
to Schedule D of the By-Law**

Social Media

1. The purpose of this appendix is to provide guidance on how the Code of Conduct applies to a Director or Committee Member's use of social media. These provisions in no way limit the full extent of the duties set out in the Code of Conduct.
2. For the purposes of this appendix, references to "social media" will include any website, application or other online public forum that permits individuals to create and share content, participate in social networking, and/or post comments. Examples of social media and other online public forums include (as of January 2020): Twitter, LinkedIn, Facebook, Instagram, YouTube, blogs (including personal blogs, or blogging websites such as Reddit), review websites (e.g. Google or Yelp, etc.), news media sites and message boards.

Social Media undertaken for the purpose of personal or professional use

3. Directors and Committee Members who have their own social media accounts, whether personally or through an affiliated business or other entity, shall ensure that their use of social media is consistent with the Code of Conduct. Without limiting this general requirement, some examples of conduct that would usually be viewed as violating the Code of Conduct include where the Director or Committee Member posts or otherwise engages with content that:
 - a. Discloses confidential information.
 - b. Gives rise to a conflict of interest or the appearance of a conflict of interest.
 - c. Contains a statement that could impair the public's confidence in the College or compromise the public image of the College or the ability of the Director or Committee Member to make transparent, objective, impartial and fair decisions that are in the public interest.

- 5. Directors and Committee Members shall recognize that only designated College staff members are authorized to post content on the College's social media platforms.
- 6. Directors and Committee Members shall:
 - a. Refrain from commenting or posting any of their own content to the College's social media platforms.
 - b. Refrain from responding to posts on behalf of the College, the Board or in their personal or professional capacity.
- 7. Directors and Committee Members may, however, forward or re-tweet content posted by the College.
